

How You Can Use Community Transport

Expertise and Experience in Safe Transport of the Frail and Aged

Randwick Waverley Community Transport (RWCTG) assists transport disadvantaged individuals, families and community groups with economical travel in the South Eastern Sydney area. Our experienced staff can drive and assist children, frail and aged and less mobile clients to experience safe and enjoyable, social, shopping or community trips.

Individuals, Carers and Family

We provide reliable, on- time, one-way or return transport to medical, hospital, shopping, school and social visits.

Community Groups

We offer Driver and Vehicle Hire for half day, full day or overnight excursions with our car or bus fleet. Our experienced drivers and bus-assistants offer a pleasant, enjoyable, well planned, and safe tour. You may hire a driver for your vehicle.

Our Drivers - Safe and Compliant

RWCT is accredited by Transport for NSW and is accredited under the NSW Disability Service Standards. Our drivers have all passed criminal history checks.

Our Fleet Vehicle Capacity for Wheelchair Clients

The Toyota Coaster capacity is 20 passengers, alternatively, 18 persons, with one wheelchair, excluding the driver. If 2 wheelchair passengers are included then other passenger numbers are limited to 16. We also have 8 seaters with hoists, as well as 20 and 25 seater buses.

Tailor a Transport Package for your trip

Randwick Waverley Community Transport provides a bus and/or a driver for Full or Half day rates. We are happy to negotiate a regular booking rate that offers significant hire savings.

You may vary the package – it's flexible by agreement

This will show our service, advice and costs are very competitive. Our service is flexible and there is great value in using our long expertise in community transport.
